

August Newsletter

Dear Parents,

Welcome to our monthly newsletter. We would like to thank all those who attended our leavers' party and ceremony at the end of the academic year. It was a lovely afternoon for the older children who are moving onto school. They enjoyed a party tea and played games before the parents met us in the hall for an emotional leavers' ceremony. The children put on short show and then received graduation certificates.

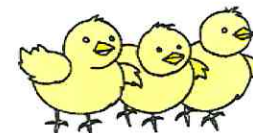

We are looking forward to welcoming lots of new children in the Autumn Term and from September we are nearly full. It will be lovely to see our younger children make new friends, and to help them settle, and make the most of their new environment.

A gentle reminder that we need a copy of your child's birth certificate when they start and photos of any people nominated to collect your child in your absence (please write your child's name on the back of any photos handed in).

We are open all year round and have children with us through the holidays. This week they had a lovely surprise when a grandparent brought in some week old baby chicks for the children to play with. The children held out their hands to hold the chicks and gently stroked them and commented on how tiny they were and how soft they were.

If any parents, grandparents or their friends have an occupation that would interest our children such as: police, ambulance, fire-fighter, something to do with animals or anything else and you would be happy to come and visit the Nursery - please contact me and we can arrange a date.

We said a sad but very exciting good bye to Carly on the last day of term as she has gone on maternity leave. We wish her the best of luck and are all looking forward to her bringing in the new baby for lots of cuddles next term.

We are currently recruiting for September and hope to have two new members of staff joining us for the Autumn Term.

We wish you all a lovely summer break and we look forward to seeing you all in September. Please note the new term starts on **Wednesday 6 September** as Monday 4th and Tuesday 5th we are **CLOSED** for Inset Days and staff training.

Kind regards

Gemma Maxwell
Nursery Manager
