July Newsletter

Dear Parents and Carers

Welcome to our newsletter, we will be sending these out to you monthly, at the beginning of each month.

The Nursery has been open for 7 months and the time has gone so fast, with the Nursery being full within the first 2 months we have been very busy sorting out our routine and adjusting it to benefit the children. It has been so lovely to see how well the children have settled and how happy they are in their new environment. We have achieved so much with your children this year and look forward to carrying this on in September.

The support and positive feedback we have received has been so encouraging and we would like to thank you all, at Little Herons Nursery parent feedback is always very important to us and we welcome it at any time.

Please ensure you sign your child in and out of Nursery, it is important that we have an accurate number of children who are under our care.

It would be helpful if all items bought into Nursery could be named, this would reduce lost items and help the staff know what belongs to whom.

On entering the Nursery, if you have signed in and are waiting for the door to be opened, please note there is a door bell on the wall above the register table next to the word 'reception'. If you ring this it will alert the Nursery staff that you are waiting to come in as sometimes the staff in the office are training or otherwise engaged.

Sports day

As you are probably aware we aren't taking part in the school sports day as we feel it is too long a time period for our young children to stay still and watch all the other children. However, we will be having our own "Sports Week" for the week of 10 July where the children will be joining in different races. During the week the children will support and cheer on their friends when they are taking part.

Lost Property

We have lots of lost property in 3 large boxes just inside the nursery entrance, please try to look through these when dropping off or collecting your child. There are many items of clothing, drinks bottles and lunch boxes as well as children's personal items and toys from home. These items will only be here until the end of term when they will be discarded.

Moving on

We would like to wish our Nursery leavers good luck in September in their new Reception Classes, we hope they have a smooth transition into their new school life.

We hope everyone has a lovely summer break and that the lovely weather we have had carries on.

Kind regards

Gemma Maxwell
