## September Newsletter

Dear Parents,

We hope you had a lovely summer and would like to welcome you to the Autumn Term.

We welcome back the children from last term and also all of the children starting Little Herons for the first time. It will be lovely to see our returning children, with their grown confidence as well as welcome and help our new starters settle into Nursery life at Little Herons.

For some children this can be disruptive and stressful and for others they take it in their stride. We aim to make this transition for you and your child as easy as we can.

Once the children have had time to settle we will allocate them a keyworker. Each keyworker has a buddy so that there is always someone for you to talk to on arrival at nursery, whichever day your child attends.

We would like to introduce two new members of staff to our team this term: Rachel Woolvin, a Nursery Practitioner and Emily Walker, a Nursery Practitioner Apprentice. We hope you will join us in making them feel welcome and I'm sure they will settle straight into our routine.

We are happy to announce the safe arrival of Ruby, a beautiful baby girl for Carly who went on maternity at the end of last term. We wish Carly and her family very best wishes.

Can I ask that all of your children's belongings are named, on the outside where possible. We have a large number of children that attend the nursery and with similar interests a great deal of bags, lunch boxes, drinks bottles, jumpers and coats are the same.

If you have any queries, questions or anything you would like to discuss, please do not hesitate to come and see me or a member of my team.

### Important Dates

23 October – 27 October 2017	Half term for term time children
21 December 2017	Last day of term for all children
8 January 2018	Closed for Inset Day
9 January 2018	Spring Term starts

Kind regards

Gemma Maxwell  
Nursery Manager
